**Purpose**
To ensure all personnel required to perform work duties within the service tunnel system are aware that restrictions and safety protocols exist regulating service tunnel access.

**Scope**
All personnel required to access the service tunnel system to perform their work duties.

**Procedure**
Refer to the following:

Physical Resources Policy 1.4.16 – Accessing the Service Tunnel System.

Central Utilities Plant Procedure: 6.11.2 – Accessing the Service Tunnel System.
