HELP STOP THE SPREAD

WHEN USING SHARED SPACES...

Stagger shift and break times if possible to allow for physical distancing in busy areas.

Be mindful of high-touch surfaces. Disinfect often or use a barrier (glove or paper towel) between your hand and the surface.

Avoid gathering in lunch rooms, meeting rooms and shop areas.

Remember...

Wash your hands often with soap & water for 20 seconds.

Cough or sneeze into a tissue or the bend of your elbow. Discard tissues immediately.

Avoid touching your eyes, nose and mouth.
